The sermon was aimed against war, lynching and other forms of murder, both under and in violation of the forms of law. Mr. Dutil is making a very fine impression in this city and his congregations are delighted with him.

Grand Reception.

One of the most brilliant social events of the season was the delightful reception given last Friday evening at the Montezuma Hotel to the Confederate veterans and a few friends by the Dickinson Chapter of the U. D. C., of this city. The disagreeable weather prevented some from being present, but could these have imagined how very pleasant this happy affair would be they would have been there, cold or no cold.

The spacious parlors and dining rooms of the Montezuma were transformed into gardens of lovely flowers, palms and vines, which lent a soft, subdued tone to the bright, vivid light of the chandeliers.

The following interesting program had been arranged and was excellently rendered:

Medley of Dixie—Mrs. E. L. Carney.

Vocal solo, "Soldier Boy in Gray,"—Miss Bullock.

Quartet, "Tenting on the Old Camp Ground"—Mr. and Mrs. Gray, Mrs. Blake and Miss Whitfield; Miss Liddon, pianist.

Address to Confederate Veterans—Mrs. Gary.

Vocal solo, "Dixie Land"—Miss Whitfield.

Address to U. D. C.—General Bullock.

A most pleasant surprise was now in store for all, and especially for the beloved president of the Dickinson Chapter of the U. D. C., our own Mrs. Gary, when little Miss Irma Blake, on behalf of this chapter, presented this good lady with a beautiful badge of red and white ribbon, fastened together by a gold wreath of laurels, which held in the center a pin representing our Confederate flag.

Mrs. Gary was so deeply touched by this token of esteem and love from her sisters that her tongue would not express to them her great appreciation of their kind thoughtfulness; but the trembling lips and tearful eyes told more eloquently than language how very highly this gift was prized by the "too happy for utterance" recipient.

Then came supper, which was by no means the least enjoyable feature of the evening.

After feasting on the many good things, under which the tables almost groaned, the guests repaired to the parlors where they were again favored by Mrs. Carney with more of her charming music.

Mr. C. M. Gray then recited in his own inimitable manner a negro dialect story of "Rev. Quack Strong's Entrance into Glory Land."

Mrs. Gary's address was indeed a literary gem and should be printed. She wielded a facile pen, is a fluent speaker, possesses broad mental capacities and on this occasion was at her best.

General Bullock always says the right thing in the right way at the right time, and his address on this occasion was eloquent.

The music was good, singing fine, and especially inspiring when all joined in singing the choruses of "Tenting on the Old Camp Ground" and "Dixie."

The ladies spared no pains in making this reception a grand success and their most sanguine expectations were more than fully realized.

The time for parting came far too quickly and each guest bade a reluctant good night to the fair hostesses, thanking them for a most enjoyable and long to be remembered evening, and sincerely hoping to be entertained by them many more times.

A Life and Death Fight.

Mr. W. A. Hines, of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure throat, chest and lung troubles." Regular size 50c and \$1. Trial bottles 10c. at Garrett & Gerig's drug store.

In Memoriam.

The following resolutions were adopted by the Fort King Camp No. 14, W. O. W., Ocala, Fla.:

WHEREAS, It has been the will of the Supreme Ruler to take from us in the prime of young manhood our worthy sovereign, A. E. Badger, a member of Fort King Camp, No. 14, Woodmen of the World, therefore, be it

Resolved, That we must bow in humble submission in our loss, remembering that all things are done for the best, although it is beyond our worldly comprehension to fathom the great mystery of death.

Resolved We extend our sympathy to the bereaved mother and sisters.

Resolved, That a page in our minute-book be set apart to his memory, and these resolutions be inscribed thereon.

Resolved, That a copy be sent to the afflicted family and to the Ocala Evening Star and Ocala Banner with a request to be published.

Beat Out of an Increase of His Pension.

A Mexican war veteran and prominent editor writes: "Seeing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I am reminded that as a soldier in Mexico in '47 and '48, I contracted Mexican diarrhoea and this remedy has kept me from getting an increase in my pension, for on every renewal a dose of it restores me." It is unequalled as a quick cure for diarrhoea and is pleasant and safe to take. For sale by the Anti-Monopoly Drug Store.

La grippe coughs often continue for months and sometimes lead to fatal results after the patient is supposed to have passed the danger point. Foley's Honey and Tar affords positive protection and security from these coughs.—Anti-Monopoly Drug Store.

An Unjust Discrimination.

We note that at other places in Florida—even at so excellent a theatre as the Tampa Bay Casino—the prices for the Olympia Opera Company range from 25 cents to 50 cents. The latter being the highest priced seats. At Ocala the seats for the same company—except in the "peanut" part of the hall—were one dollar straight.

Why should Ocala theatre-going people pay more to witness the same performance than the theatre-going people of other towns in Florida?

Certainly it is not because our hall is more gorgeous or seats more comfortable and luxurious.

A Prominent Chicago Woman Speaks.

Prof. Roxa Tyler, of Chicago, vice-president Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold this winter which threatened to run into pneumonia. I tried different remedies but I seemed to grow worse, and the medicine upset my stomach. A friend advised me to try Chamberlain's Cough Remedy and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again. For sale by the Anti-Monopoly Drug Store."

Loses His Overcoat.

On their honeymoon trip Mr. Ed L. McIntosh and bride stopped over in Savannah and registered at the Pulkaski House. On going in to breakfast Mr. McIntosh hung up his overcoat at the door before entering the dining room. After the meal was over he discovered that some one had appropriated his overcoat. Suspicion fell on ex-Corporal R. S. Harris, of the Republican Blues, a local military company. The suspicion proved to be correct. The young ex-soldier had stolen the coat and deposited it with a pawn broker. Mr. McIntosh finally recovered his property.

The heads of the firm of Messrs. Hubbard and McDuff were so well pleased with their business in this city the past year that upon receiving the balance sheet they were more than delighted.

The business was established in Ocala just after the disastrous fire in 1883 and since which time it has been steadily growing.

It is now one of the old landmarks and is as solid as the rocks of Gibraltar.
